NARRATIVE:

Williams has an extensive adult criminal history that began at the age of 18. His convictions include unlawful sex w/a minor, multiple burglaries, robbery, assault w/deadly weapon, carrying a concealed weapon on person, vehicle theft, prevent/dissuade a victim by force, tamper w/vehicle, possession of narcotic substances, false identification to a peace officer, forgery, transport narcotics for sale, and violations of parole supervision. He has served multiple state prison terms, the longest an eight (8) year term for transport narcotics for sale. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on November 02, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transporting controlled substance for sale is defined as non-serious and non-violent under the California penal code. His criminal history, as well as his current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
